**Take your Business  
Anywhere & Everywhere,  
with Digital Visiting Cards.**

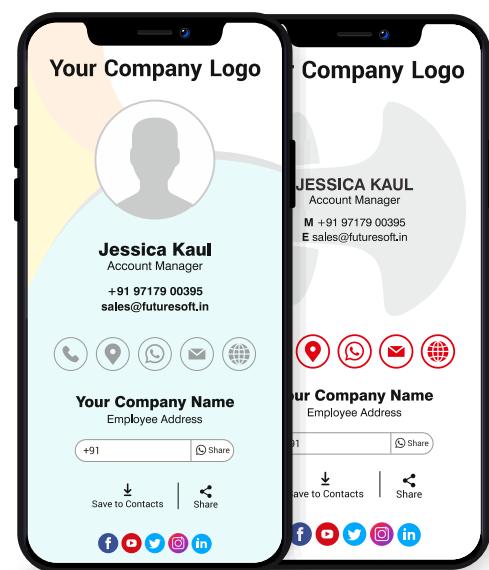

## What is a Digital Visiting Card?

Digital visiting cards come under the contemporary way to connect professionally. Also known by other names: an electronic visiting card or virtual visiting card, these cards - with advanced features are the replacement of the paper business cards.

### Effective & Sustainable

Move your business to places with digital visiting cards. The brand ambassador, that says a lot about you, but digitally. From offering such significant benefits of protecting the environment from paper wastage, being accessible and shareable at a click with anyone; anywhere, to not paranoid about losing the card ever, an electronic visiting card indeed plays a quintessential role.

## Take a Quick Glance at our Digital Visiting Card:

We are committed to offering affluent features & benefits with digital visiting cards. Here is how our virtual visiting card could become your choice:

### Mini-Website in your hands

It is mapped out a way that allows you to make a mini website itself. A digital visiting card design is capable enough to turn into your go-to destination for everything business-related!

### Receive Quick Feedback

Receive feedback on your services and products quickly with just a click by sharing your virtual visiting card; highlighting the services and products that your brand offers.

### Appealing Design

Embark the success of winning a client instantly because first impression and the appealing design matter! Make sure that your digital visiting card design is up to your expectations mixed with the right alignment, eye-pleasing aesthetics, and customized details!

### Share Anywhere

You need not wait for people to meet you personally to receive your contact card now. With a virtual visiting card, share the details with a single tap! Get connected to potential customers globally.

## Inquiry Form

You can also get the inquiry option added to your customized digital visiting card design that can be used by your prospective clients as and when they want to clear their queries. As briefed earlier, you are just a click away from any progress.

## Customize

We are always open to customizing the digital visiting card design as per your requirements. Fret not to share with us! We would love to add your ideas to a virtual visiting card with our touch of imagination to bring them to the real world.

## Add to Contacts

Let people add you to their mobile contacts in a single tap and witness no fear of losing them ever! You will never know you are unknowingly building real connections.

## Connect on LinkedIn & Other Socials

Witness the magic at your fingertips through an excellent digital visiting card design! Get connected to the customers on social media platforms like LinkedIn, WhatsApp, and chat instantly.

## Track Your Visitors

Track the number of people visiting your digital visiting cards and based on that-keep a performance check on it. This will help you know the worth of the card, and if you see no progress- you can always perform new actions.

## Contribute to the Environment

We believe in contributing to the environment and encouraging businesses to do alike! With digital visiting cards, take a step ahead from paper waste and cherish your smart decisions. Reduce paper usage and contribute to the environment.
